

Marketing Internship Opportunity at OnstageAI

OnstageAI is thrilled to offer an exciting internship opportunity aimed at students from the Central European University. We are on the lookout for a dynamic and creative individual to join our team. This is your chance to be part of a forward-thinking company at the forefront of AI and classical music innovation.

Find out more about OnstageAI [here](#).

What You Will Do:

- Create compelling investor materials, including pitch decks, to attract and engage potential investors.
- Take charge of our website's management, ensuring it always reflects our latest news.
- Manage our LinkedIn presence, engaging with our network and sharing relevant content to boost our visibility.
- Assist in trademark application processes to protect our brand and products.
- Contribute to the development of our visual identity, helping shape the look and feel of our brand across various platforms.
- Prepare and update materials for shareholders, keeping them informed of our progress and achievements.
- Create engaging video content that showcases our technology and its potential.

What We Are Looking For:

- Currently enrolled at Central European University. We are on the lookout for a dynamic and creative individual to join our team. This is your chance to be part of, ideally with a focus on marketing, communications, or a related field, and fluent in English (German and other languages are considered an advantage).
- A demonstrated pro-level proficiency in Canva, with the ability to design visually appealing and engaging content that aligns with our brand's aesthetic and messaging goals.
- Expertise in managing and developing websites using Wix, including understanding of layout, design principles, and SEO optimization.
- A creative and innovative mindset with an eye for design and strong attention to detail.
- Excellent communication skills, both written and verbal, with the ability to convey messages clearly and effectively.
- An independent worker who is also capable of collaborating with a team to meet project goals and deadlines.
- A passion for music, technology, and staying ahead of marketing trends and tools.

Benefits:

- Hands-on experience in a fast-paced startup environment.
- An opportunity to contribute to groundbreaking projects in the music technology space.
- Professional development and mentoring.
- Chance to complete the internship under the Erasmus+ program.
- Receive a monthly allowance of \$350 USD throughout the duration of the internship.

How to Apply:

Please send your resume and a cover letter explaining why you are the perfect fit for this role to ms@onstageai.com by 30 April 2024.

We look forward to hearing from you!
